SCOTTISH TERRIER

CLASS 2 - Puppy

1st - Mr. S. & Mrs. F. Drakes' **SHEENA OF ANGUS**

Rather naked, correct in colour, darkest of eyes, reasonable ear setting, good dentition, levelish topline, needs to be a little larger and more substance throughout, active mover in both directions. BOB, Reserve Terrier Group Winner

TOY GROUP

PAPILLONS

CLASS 3 - Limit (Dog)

1st - Miss Anne Blanchard's **KINGSHAVEN SILVER LINING AT HOTHERSALL**

A smart young dog of nearly three years, attractively marked especially in head, a very well balanced body with a firm yet supple topline, nicely domed skull that typifies the breed, short muzzle, good neck and front assembly, a good positive mover in both directions. CC, BOB & Toy Group Winner

CLASS 4 - Novice (Bitch)

1st - Miss Anne Blanchard's **KINGSHAVEN SIMPLY SOPHIE AT HOTHERSALL**

Litter sister to the above dog, similar in many ways but not quite the finish or compactness of the dog, feminine head with the classic domed skull nicely set ears and used well, stood over a little too much ground for me, nice plumed tail. Active mover but played up a little. CC, RBOB, Reserve in Toy Group.

GUNDOG GROUP

WEIMARANER

CLASS 5 - Junior

1st - Mrs. N. Huey's **WILSHIER BLAIZE**

A very nicely proportioned young bitch that needs a lot more time to develop, very feminine in head, good eye and ears, ample neck, needs a little more forechest, good body ratios, excellent side gaiting action smooth and firm, also kept her topline on the move. CC, BOB

IRISH SETTER

CLASS 6 - Open

1st - Mr. & Mrs. A. Moore's **SH CH FEARNLEY FIRE INSPECTOR OF MOORLANDS**

A most beautiful dog that is well up on foreleg and in beautiful condition covered in a glorious red jacket, nicely balanced head that is correct in his proportions and a well pronounced occiput, good forehead and the deepest of ribbings, strong loin, nice croup and tail set, good forward extension with a good drive but could have been a fraction firmer, presented in tiptop condition. CC, BOB

(2)

SPANIELS (AMERICAN COCKER) (DOGS)

CLASS 7 - Open

1st - Mrs. D. Davies' **SH CH AFTERGLOW ANDANTE**

An excellent black dog, but the handler needs to pay more attention to setting him up on the table as he was stood wide in front. Lovely head and expression good eye and low set ears, ample neck, good front assembly, nicely ribbed, good rear, without doubt best mover in class. CC, BOB

2nd - Mrs. D. Davies' **SH CH AFTERGLOW BEAM BE UP SCOTTY C.D.**

I preferred the body on this dog to the winner, I thought he was of better bone and substance but not as good on the move as winner, nicely headed with an excellent stop that gave him a good expression, strong neck, good rear quarters, good thick coating of good colour. RCC, RBOB

(BITCHES)

CLASS 8 - Minor Puppy

1st - Miss Sandra Springer's **SANMALDOR EBONY ANDANTE**

Attractive youngster black in colour, still only a baby at six months old, sweet feminine head and expression, good neck and nice forehead, good bone and feet, steady mover and would not be hurried as the heat was effecting her.

CLASS 9 - Open

1st - Miss Jenny Beckles' **SINJUN RAVEN'S BEAUTY**

A nicely headed bitch that has a sweet expression coming from this well balanced head, good strong neck, good in forehead, nicely bodied, good topline, tail set could have been higher to give a cleaner outline, good mover in both directions. CC

RETRIEVERS (GOLDEN) (DOGS) CLASS 10 - Minor Puppy

1st - Miss Susan Blandford's **HOTHERSALL MALVOLIO**

Extremely well balanced young male that must have a bright future to look forward to, I could have watched him all day moving the way he did, so free without any exaggeration or failings, I thought him quite delightful. RCC, Best Locally Bred Puppy In Show

CLASS 11 - Open

1st - Miss Anne Blanchard's **SH CH EASTONWOOD HIGHLAND LADDIE**

Seems to have stamped his mark in the breed on this Island with some success, slightly different in type than his progeny, but nevertheless a lot to like about him, strong head with a benevolent expression, nice forequarters but would have liked a fraction more foreleg. Good firm action but a little sluggish and tail set slightly higher than one would have liked. CC, RBOB

(BITCHES)

CLASS 12 - Minor Puppy

1st - Miss Anne Blanchard's **HOTHERSALL CLEOPATRA**

Another nice type out of Highland Laddie, rather apprehensive which didn't help the situation but a lot to like about her, again a very free mover to watch which was most delightful, very feminine head with ample neck into good forequarters, nice level topline and good tail set.

CLASS 13 - Junior

1st - Mrs. Jean Ray's **THATCHER=S HIGHLAND MOON**

This young sixteen months old bitch was well schooled to what was expected of her, her performance was ring perfect, I thought her a most delightful specimen, with a typical Goldie attitude with a touch of elegance, very feminine throughout and so well balanced which obviously showed in her performance when gaiting. CC, BOB, Reserve in Gundog Group.

CLASS 14 - Open

1st - Miss Anne Blanchard's **SH CH STANROPH SUPER SUSIE**

Nice type but not as good in head as second place, however, outmoved her competition on the day, I thought her front assembly was excellent, good body ratios firm back with good mature ribbing, plenty of bone and good feet. RCC

(3)

2nd - Mrs. Arminda's Ramphal's **ALISSA=S MARA**

Deeper in colour than winner and stronger head, nicely balanced throughout, good length to neck that was strong, good forehead but needs to tighten slightly, good rear quarters, lots to like about her, well prepared and handled.

RETRIEVERS (LABRADOR) (DOGS)

CLASS 15 - Puppy

1st - Mrs. Caroline Gibson's **ZINZARA FLAMINGO FLOWER**

A strongly made dog with plenty of substance, nicely headed with a good masculine expression, strong body with good ratios, good firm topline for one so young, good workmanlike gait true and firm.

CLASS 16 - Junior

1st – Mrs. Sue Leacock's **BENATONE SECRET MISSION OF THEBERTON**

I thought him of excellent type a good firm masculine body that was not too long cast, although I would have preferred a thicker rooted tail to give a better balance in the rear area, nicely headed with good eye and neat ears. Good firm driving action coupled to a good forward reach. CC, BOB

CLASS 17 - Novice

1st - Mrs. Cindy Armstrong's **BLARNEYSTONE JESTER**

A thick set dog that was a fraction overdone in body but he was still up on foreleg, strong head with lovely dark eyes giving a good expression, ample neck and clean front assembly, extremely well prepared and well presented. RCC

(BITCHES)

CLASS 18 - Puppy

1st - Mrs. Zoe Gray-Marshall's **ZINZARA ROSE OF SHARON**

2nd - Miss Laura William's **ZINZARA MORNING GLORY**

Litter sisters not much in difference but Morning Glory was rather unsettled on the move, both nicely headed although they still need to break yet. Good dark eyes that gave a kind expression, good crisp clean outline that was pleasing to the eye, both were good specimens.

CLASS 19 - Maiden

1st - Mr. & Mrs. Anthony Moore's **CLAYTONHOLT SARAH OF MOORLANDS**

Slightly different in type than what I have seen here today, whilst one could see she is slightly stronger in head than the locally bred Labs, a happy medium would for me been the ideal. Another thing that this bitch excelled in was the correct otter tail, I thought lacked in some exhibits, she was I thought a good active mover although I would have liked her more up on the legs to give a better balance overall. CC, RBOB

CLASS 20 - Novice

1st - Mr. A. & Mrs. S. Brancker's **GLENAYRE LUCY**

A very honest bitch with not much wrong but still needs to broaden more in skull to give a better balance, good keen eye with nice ear set, strong neck good body ratios, firm level topline with good tail set, firm and precise mover in both directions.

CLASS 21 - Open

1st - Mrs. Zoe Gray-Marshall's **TREVENA SEPTEMBER SUNSET**

A most typical Lab never stopped wagging her tail@ a good specimen of the breed, nicely headed with a kind eye giving that all important expression, quite good in forequarters although could have been firmer when moving, good body ratios, good drive from rear, put down in beautiful condition. RCC

2nd - Mrs. Rosemary Coghlan's **SH CH TREVENA APRIL ROSE CDX**

Another excellent type not just quite the balance of winner but not far off, pleased in skull with a feminine expression, good front assembly and good ribbing, nice and deep, good rounded rear firm and muscular that propelled her along with ease, well prepared, would have liked a shorter coat on back and neck.

3rd - Mrs. Sue Leacock's **SH CH BOURNECOTT OSPREY OF CLAYTONHOLT AT THEBERTON**

Nice type with a good head and keen expression but lacks neck which does not help her balance, a most wonderful thick rooted tail, good body with a nice spring of rib and deep. Slightly losing her topline on the move but she is still a good specimen.

HOUND GROUP

BEAGLE

CLASS 23 - Open

1st - Mr. T. & Mrs. C. Bentley's **CH DIALYNNE MESSENGER**

A most wonderful head and expression coming from this extremely well balanced head, correct proportion with a lovely eye and the best of ear so perfectly folded to give him that benevolent expression. Lovely balance in profile with the crispest of outlines, firm level back with a good high tail set that produces the correct carriage so essential to this breed, lovely bone and feet, good rear quarters giving him that propulsion to excel on the move. CC, BOB, Hound Group Winner & Best In Show.

RHODESIAN RIDGEBACKS (DOGS)

CLASS 24 - Novice

1st - Mr. Gregory Valdez's **ESTDES KRUGER SAFARI**

Without doubt all male, he was well up to size, good strong head that gave him an excellent expression, strong in neck, little upright in shoulder, good body ratios, lovely colour and in good condition, firm mover but slightly stilted in profile. RCC

CLASS 25 - Open

1st - Mrs. S. B. Hamilton-Outcalt's **CH ZIPITDEDODA BY CROWNRIDGE CD**

A most impressive dog teems with quality and type, well up to size, has this air of presence that sets him above the rest. I thought he portrayed strength yet elegance in his deportment. Excellent skull flat and broad nice ear set and lovely colour of eye, hard condition and a good firm mover. CC, BOB, Reserve Hound Group Winner.

(BITCHES)

CLASS 26 - Open

1st - Mr. & Mrs. Cecil Ince's **CROWNRIDGE TOTALLY EXOTIC**

A lovely type very well balanced throughout, striking colour and condition, extremely nice head giving a wonderful expression, ample neck, good front assembly, pleasing body and a joy to watch gaitting around the ring. CC, RBOB

2nd - Mrs. Lynda Husbands' **CH TOTAL PANDAMONIUM BY CROWNRIDGE CD**

A slightly different type than what I have seen so far, finer and rather gazelle in appearance, nevertheless, in excellent condition both bodily and presentation wise. Good eye and ear set, plenty of neck and leg, good firm mover in both directions.

UTILITY GROUP

AKITAS

CLASS 27 - Minor Puppy

2nd - Mr. Richard Inniss' **RACHAD WALKING ON CLOUDS**

A nicely proportioned dog that I thought had excellent balance, lovely head that was all male with a good expression coming from the good eye and well set ears, nicely bodied, with a good length, but unfortunately he had a problem with his rear hock and was limping so I only gave him second. If he had not limped he would without doubt have had first place.

CLASS 28 - Puppy

1st - Mr. Don P. Boyce's **DONKEMRE TAKE NO CHANCE**

Nicely balanced puppy of 11 months, good head that fits the body, nice eye and ear set, good forehead, deep ribbing for one so young, good level topline, but the loose tail spoilt his outline both in stance and on the move, firm gaitting action, best mover in class.

(5)

2nd - Mr. D. Rudolph Sandiford's **THUNDER STORM**

A rather unbalanced dog particularly in head, he was a little too thick, which made him a little unbalanced, but he was a strong dog throughout and had a better tail set and carriage. Firmish action both ways.

CLASS 29 - Junior

1st - Mr. Patrick Waterman's **SNOW PHANTOM**

White dog and quite striking all male and well balanced throughout, he had a lot of presence, excellent head with a nice dark eye, good ears, strong neck into good front assembly, good strong firm ribbing which was of good length, good forward movement but needs to strengthen a fraction more behind.

2nd - Mr. Carlisle S. Broomes' **RACHAD SWIMS WITH POSEIDON**

Quite a balanced dog but lacked coat today, nicely balanced skull all male, good bone and feet, pleased in body, moderate reach in front but needs to improve in rear action.

CLASS 29 A - Novice

1st - Mr. S. Waithe's **TIFFANY=S HERO AT BLANC**

Nice type with a good skull but a bit too short in back, which made him look stuffy. Good balance to head with a nice eye, just enough neck, good bone and feet, good thick jacket of good quality, nice tight tail, good mover in both directions.

CLASS 30 - Limit

1st - Mr. Don P. Boyce's **REDWITCH TAKE NO PRISONERS AT ELTHOR**

Excellent type, the best of neck and outline in the class, maybe it was due to the fact he was out of coat? Nevertheless he was the easy winner for his overall breed type and balance, I thought he had a lovely head piece that was not overdone in anyway, his movement was a joy to watch.

2nd - Mr. Richard Inniss' **ELTHOR THE VIKING**

A very honest dog that appeared rather heavier than the winner, maybe it was the amount of coat? Not much wrong with this dog, he had presence and style, good male head with a pleasing eye and ears. Good mover in both directions.

3rd - Mr. Atiba Aluko's **TEWANTAN GLENKINDIE LAD FOR LIBERTIA AT EDLYNN=S**

A large dog with plenty of substance which made him appear too heavy but to be fair he was a very good mover in spite of this, very well balanced head that was pleasing in everyway. He had a thick jacket and a good tail.

CLASS 31 - Open

1st - Dr. Wayne Welch's **AM CH ROYAL=S DO YOU THINK I=M SEXY FOR REDWITCH AT ELTHOR**

In absolute mint condition, the preparation was first class. An extremely nice dog that was so well balanced throughout that presented a picture of strength and nobility, lovely balanced skull with a proud head carriage, super neck good forechest, good length to body, firm topline and tight tail, good positive mover with a strong driving action. CC, BOB, Utility Group Winner

2nd - Mr. Anthony Pilgrim's **UK CH MELODOR RESIST=NCE IS FUTILE AT TONDAR**

Another excellent type, excels almost everywhere, but today he was totally out of condition and paid the penalty, upright dog that commands attention, good bodily both in depth and length, good tight tail, good moderate reach but needs to be a fraction more firmer behind. RCC, RBOB, Reserve Utility Group Winner

(BITCHES)

CLASS 32 - Puppy

2nd - Mr. Wayne Smith's **DONKEMRE SHE=S A GODDESS**

Nice type and very well balanced throughout, however, I could only place her second because she was limping on her rear, but otherwise she was quite delightful, maybe this is just a temporary problem.

CLASS 33 - Junior

1st - Mr. Steve Edwards' **ELTHOR PRIVATE DANCER**

2nd - Mr. Kobie Gibson's **ELTHOR PRIVATE DREAMS**

Litter sisters and you can tell both very similar in type, nicely headed and quite well balanced, good moderately angulated, both had tight tails, and good rears, Dancer had a firmer rear going away than Dreams, that was the reason as to why they were placed that way.

(6)

CLASS 34 - Maiden

1st - Mr. Nigel Goodman's **ELTHOR HOKOTA**

Nice type but a little overweight and too thick in skull for a bitch, but she coped quite well on the move, good body length, firmish back good tail set, well muscled up that showed when she moved. Good coat condition.

CLASS 35 - Limit

1st - Mr. Richard Inniss' **RACHAD RIDE WITH ZENA**

A smart little bitch that catches your eye when she moves in profile, sweet feminine head that was well balanced, excellent eye, you could say she had a fraction too much neck and not quite enough foreleg to be critical, which made her rather unbalanced, nevertheless there was a lot to like about her, as I did. CC

CLASS 36 - Open

1st - Mr. Laurie Beckles' **DOMINO GIRL**

Not a bad type, what let her down was she was sluggish on the move which totally spoilt her chances, I thought she was quite feminine, with a pleasing head with a sweet expression, good body ratios covered in a good quality jacket.

WORKING GROUP

BOUVIER DES FLANDRES

Surprised to see such a good quality thick jacketed Bouvier in this climate. Nicely proportioned head with good level set of ear, nice dark eyes, ample neck, good front quarters, compact body, nice and deep, good rear angulations, powerful driving action although a little close, good forward reach, presented in immaculate condition. CC, BOB

BULLMASTIFFS (DOGS)

CLASS 38 - Puppy

1st - Miss Anne Blanchard's **MURBISA CONNOR AT HOTHERSALL**

A well made dog bodily that was well advanced for his age, but his head was too long in muzzle and too much wrinkle, good strong neck, he certainly looked powerful to do the job he was originally bred for. A lovely red coloured jacket, very powerful action in both directions.

2nd - Mr. Andrew Walker's **EDENWOOD JULIUS CAESAR**

A lovely headed dog well proportioned and clean of wrinkle, nice neck and front, good compact body that was maturing well with age, but unfortunately he started to limp and had to pay the penalty, it was a pity as he was looking well.

A most beautiful specimen of this breed he had the strength, style and elegance to top this breed, lovely continental head piece, a wonderful dark eye so well set, nice small ears, good neck and front assembly, compact body with an excellent topline, good forward reach and a rotary action to follow, put down in pristine condition. CC, BOB

2nd - Mr. & Mrs. Anthony Moore's **CH REMESCA SPICK AND SPAN OF MOORLANDS**

Another lovely specimen of this breed, just past his prime and being tipped for top spot by a younger dog that is still fresh, you can still see why this dog is a CH. Nicely proportioned throughout, the younger dog has the edge on movement. RCC, RBOB

(BITCH)

CLASS 45 - Open

CLASS 53 - Junior

1st - Mr. Richard Alleyne's **RICHWOOD ARES THE WARLORD**

A useful type in any company, could have been slightly larger in skull to give a more masculine appearance, but otherwise a nice dog. Would have preferred him slightly larger all-round, very good on the move in both directions, good quality coat covering.

CLASS 54 - Limit

1st - Mrs. Richard Mahon's **VANMAR MUSTAFA**

A most wonderful dog that to me was totally balanced, he had in his possession what most Rotts lacked today, he had masculinity, correct size for a male and correct length of foreleg, this is what put him above the rest. Not handled very well but that will come with practice. CC, BOB

2nd - Mr. Franz Phillip's **ELTHOR DARK FORTIS OF GREENWOOD**

Nice type but could be more masculine in head, but to be fair it was balanced and clean cut, good dentition, strong neck and forehead, pleased in body, would have liked more length of foreleg, good mover in both directions.

CLASS 55 - Open

1st - Mr. Richard Alleyne's **CH MONIFA BRIMSTONE AND FIRE**

CLASS 58 - Maiden

1st - Mr. Richard Alleyne's **MISS CURIOSITY**

Another nice type, but needs to develop more in head, but she is balanced. She has to her advantage a good length of foreleg, however, she needs to strengthen in pastern, good body ratios, firm rear and well muscled throughout, good quality coat and in good order.

CLASS 59 - Novice

1st - Mr. Roger Riley's **SAIYAN RAZZMATAZZ**

GERMAN SHEPHERD DOGS (DOGS)

CLASS 62 - Minor Puppy

1st - Mrs. Susan Roach's **NETANYA=S RIKKOR**

Medium to large dog, good length of skull, rather large ears, ample neck, little steep in shoulder and a fraction short in upper arm which causes too much lift in front, good bodily proportions with a good topline and good length of croup., quite firm rear for a young dog, good gaiting action but still needs time.

Another quality dog from this kennel , top medium size, all male head with good ears, strong neck but not quite the strength of winner, excellent forehand with the correct proportions, good bodily but not quite the condition as winner but very near, did not quite produce the overlay of winner when gaiting around, but nevertheless a very worthy champion. RCC

(BITCHES)

CLASS 66 - Minor Puppy

1st - Miss Sarifa Patel's & Mr. Damian Rezende's **Netanya's Ratta**, RCC

2nd - Mrs. Antoinette Sobers-Rice's **Netanya's Roxanna**

Litter sisters and you can tell both very similar, both feminine headed not too large in ear, good necks and fronts, both are good in body ratio=s both good movers and gaiters, the winner Ratta had a better overlay when gaiting that is what split these two.

CLASS 67 - Puppy

1st - Miss Sarifa Patel's **SILKENWOOD OPRAH OF NETANYA** This one I thought was outstanding, I can honestly say I found nothing to dislike about her, she was so finely tuned, it was incredible how a bitch so young can give so much, I was so tempted to give her BOB, it was only her age that stopped me, I am a great believer that maturity has to be taken into consideration. No hesitation to give her Reserve in Working Group. CC, RBOB, Best Puppy In Show

CLASS 68 - Limit

1st - Miss Sarifa Patel's **MIDDROSS HERA**

Quite a nice bitch but I would have liked her a fraction stronger in skull, but it was balanced with good ears, nice length of neck good forequarters, rather apprehensive which is not conducive to this breed, she did not settle fully on the move and you could see she was not happy about the situation.

At almost nine years old her owner must be very proud to own such a charmer. No hesitation to give Best in Gundog Group.

BRACE - Miss Anne Blanchard's Papillons - **Kingshaven Silver Lining At Hothersall and Kingshaven Simply Sophie at Hothersall**

I hope that this critique is received in the same vein in which it was written, with total honesty and in the hope that you will never be complacent in breeding livestock. One must always seek ways to improve and look at one's own stock with the same critical eye you look at others' stock.

I would like to take this opportunity to thank you the exhibitors for your entries and the way in which you received my placings whether you thought I was right or wrong. Despite the rain and mud I sincerely enjoyed my time with you and I did appreciate the friendship and sportsmanship that you bestowed on me.

Steve Hall.
