Young adolescent dog that needs more time to grow on, pleasing in outline and construction, typical head with correct eye and ears, would prefer better bite, needs to develop more in forechest to convey strength, moved with purpose. BOB.

### GROUP II - TOYS

#### PAPILLONS - DOGS

##### **CLASS 2 - LIMIT**

**1st KINGSHAVEN YOU'RE MY SMIFFY AT HOTHERSALL** - IMP - 24.09.2007 - 15523/08 - Pinelan High On Style At Kingshaven ex Serenglade Faith In Future Kingshaven. Breeder: Mr. & Mrs. R. & J. Banfield. Owner: Miss E. Blanchard.

Nice red & white party colour, nice proportions with a good outline, strongly headed dog that had good but rather heavy looking ears, excellent disposition, well constructed bodily with the right ratio's, good firm mover in both directions with lovely tail carriage. CC, BOB & Best in Group.

##### **CLASS 3 - OPEN**

**1st HOTHERSALL'S ARES** - LOC - 3.12.06 - 14803/07 - Ch. Kingshaven Wonder Man At Hotheralls ex Ch. Ringlands Opal At Hotheralls. Breeder/Owner: Miss E. Blanchard.

Another built on similar lines, with a more refined head piece and lighter ears, wonderful expression, ample neck, good forehead, lightly boned with good feet, excellent proportions but struggled to keep his tail up on the move which spoils his outline, so had to come reserve. RCC & Reserve in Group.

### GROUP III - GUNDOGS

#### RETRIEVERS (GOLDEN) - DOGS

##### **CLASS 4 - LIMIT**

**1st THATCHERS STORM CLOUD** - LOC - 11.02.2006 - 14463/06 - Sh.Ch. Burpham Winter Storm of Thatcher C.D. ex Sh.Ch. Thatcher's Highland Moon C.D. Breeder: Mrs. J. Ray. Owner: Mrs. J. Fields.

A very honest dog that tended to pace at times but once he got into his stride he looked the part, very showy on the move, nicely headed with a good eye & neat ears, ample neck with a good front assembly, good bodily condition, I think he has more to give and should do well. RCC.

##### **CLASS 5 – OPEN**

**1st SH.CH. BURPHAM WINTER STORM OF THATCHER C.D.** - IMP - 23.12.2003 - 13259/04 - Ch. Stanroph Squadron Leader ex Burpham Tolvsupastar. Breeders: Mr. & Mrs. R.A. Strudwick. Owner: Mrs. J. Ray.

A most beautiful outline and looks the part a very steady mover, but needs to give a little more on the move, that's the reason he was beat by the bitch for BOB, strongly headed with a good eye, flattish broad skull giving a good expression, excellent overlay that caught your eye, good bodily condition. CC & RBOB.

**2<sup>nd</sup> THATCHERS STORMY KNIGHT C.D.** - LOC - 11.02.2006 - 14464/06 - Sh.Ch. Burpham Winter Storm of Thatcher C.D. ex Sh.Ch. Thatcher's Highland Moon C.D. Breeder: Mrs. J. Ray. Owner: Mrs. L. Husbands.

Nice type with style, needs to fill in more in body to complete picture, nice head that has a pleasing expression, neat ears, ample neck with good forehead, good bone and feet, stout loin, could be firmer going away, well prepared and presented.

#### RETRIEVERS (GOLDEN) - BITCHES

##### **CLASS 6 – OPEN**

**1st THATCHERS STORM IN A TEACUP** - LOC - 11.02.06 - 14459/06 - Sh.Ch. Burpham Winter Storm Of Thatcher C.D. ex Sh.Ch. Thatcher's Highland Moon C.D. Breeder/Owner: Mrs. J. Ray.

A very attractive bitch that has the most stunning outline when gaiting around the ring, feminine head with a good kind eye, clean neck, needs more width of forechest, nicely ribbed with stout loin, excellent rear quarters that propelled her along with ease, carrying a lovely coat. CC, BOB & Reserve in Group.

**2nd SH.CH. THATCHERS GOLDEN SKY C.D.** - LOC - 11.05.03 - 12855/03 - Sh.Ch. Eastonwood Highland Laddie  
ex Thatchers Santa Evita. Breeder: Mrs. J. Ray. Owner: Mrs. L. Husbands.

Nice type bitch with a good outline but spoilt rather with a jacket that was a touch too fussy, very feminine in head giving a good expression, nice proportions, good forechest, deep ribbing, moved OK but not with the style of winner, very well handled throughout. RCC.

### **RETRIEVERS (LABRADOR) - DOGS**

#### **CLASS 7 - OPEN**

**1st LINTHWAITE CENTAURUS OF ZINZARA** - IMP - 18.05.07 - 15158/07 - Sh.Ch. Silver Suede over Rocheby  
ex Linthwaite Fleur. Breeder: Mrs. J. King. Owner: Mrs. Zoe Gray - Marshall

Nice to see legs on a Labrador, this gave him the balance they require to perform, not a big dog but extremely well balanced throughout, a most beautiful head piece that was not overdone, keen eye with very good ears, ample neck, excellent body that was quite lean and fit, very good rear angulation, very good mover, presented and prepared in pristine condition, to be very critical, I would have liked him to move a touch wider behind. CC, BOB, Best in Group & Reserve Best in Show.

**Abs. SH.CH. BENATONE SECRET MISSION OF THEBERTON** - IMP - 3.07.02 - 12577/03 - Sh.Ch. Tapeatom Gadding  
Around at Sandylands ex Benatone Barley Sugar. Breeder: Miss S. & Mrs. R. Jackson. Owner: Mrs. S. Leacock.

### **RETRIEVERS (LABRADOR) - BITCHES**

**1st FOXRUSH SECRET LOVE** - IMP - 10.08.08 - 15759/09 - Rocheby State Occasion ex Foxrush Blue Bell.  
Breeder: Mrs. J. Charlton. Owner: Miss F. Arthur.

A sweetly expressive bitch, she really needs to start to spring up on the leg a little more to give her better balance, also she is carrying too much weight which does not help, very feminine head with a good eye, good forechest, good bone and feet, good length to back, moves OK in both directions. CC & RBOB.

### **RETRIEVER (FLAT COATED) - BITCHES**

#### **CLASS 9 - LIMIT**

**1st BALLYRIVER TWEED IN PARADISE** - IMP - 9.01.2008 - 15513/08 - Sh.Ch. Covenstead Ambassador ex  
Rosy Beauty. Breeder: Ms. C.A. Young. Owner: Mrs. B. Greenidge.

Still only a baby, as this is a breed that is not finished until later in life, you must be patient, typical head piece with an excellent eye and obliquely set, very good clean neck and front, good bodily proportions, quite good in rear, covered in a top class coat that shone with condition, moved well but tail could be straighter on the move. CC & BOB.

### **IRISH SETTERS - DOGS**

#### **CLASS 10 - JUNIOR**

A well grown male that gleamed with condition, pleasing head with a good eye and well placed ears, good clean neck, good forehead, correct ribbing for this breed, nice tail set and carriage, could move a touch firmer behind. Presented in tip top condition. BOB.

Nice type and of quality, pleasing head with a soft expression, good ears, ample neck, would have liked a touch more foreleg and forechest to complete the picture, very well balanced bodily with good proportions, firm back and good tail set, workmanlike gait, very well handled. CC & BOB.

Astrid. Breeders/Owners: Senator & Mrs. P. Gilkes.

I found these two very hard to separate, now I know why, litter sisters, I thought that the winner was a fraction more hound like than the other, very similarly built, quite good in heads and expressions, neat ears, good length of necks with good bone and feet, pleasing bodily ratio's and firm rear action, both presented in good order by two very capable young handlers.

## **RHODESIAN RIDGEBACKS - DOGS**

### **CLASS 13 - JUNIOR**

**1st BALLYRIVER MILTON** - IMP - 20.07.08 - 15760/09 - Ch. Sonstraal Baron Samedi ex Ch. Sonstraal Christmas Eve  
At Kazval. Breeder: Ms. C.A. Young. Owner: Mr. P. Atkinson.

Very nice young male with a good outline, pleasing proportions and looks every much a hound, could be cleaner in head, good dentition, ample neck, good bone and feet, lovely bodily condition, with excellent ridge and well placed crowns, good firm mover in both directions, excellent colour. RCC.

### **CLASS 14 – OPEN**

**1st KENMILLIX LUSAKA** - IMP - 30.04.2006 - 14154/07 - Veldtkammer Challenge ex Mistress Of Sophistication.  
Breeder: Mr. M. Barnes. Owner: Mr. A. Craig.

A nice well made dog that needs to be moved a faster pace to gain advantage, good head parts, and better crowns than other, not quite as deep and full in ribbing as other dog which made him more attractive to the eye, good firm condition and firmer behind, quite well handled. CC & RBOB.

**2nd CH. CENNENRIDGE ZALIKA** - IMP - 31.10.04 - 14016/05 - Ch. Eilack Eliakim ex Lady Gwinevre.  
Breeders: Mr. P.A. & Mrs. V.G. Tommason. Owners: Mrs. R. Lozada & Mr. D. Arthur.

Nice type but a touch overdone in body, good strong head with a good eye and ear, ample neck, excellent bone with deep broad forechest, good topline and tail set, good ridge but crowns could be better positioned, good forward reach but could be firmer behind .

## **RHODESIAN RIDGEBACKS - BITCHES**

### **CLASS 15 - JUNIOR**

**1st ROTTZRIDGE CELTIC PRINCESS** - IMP - 21.07.08 - 15761/09 - Ir.Ch. Veldtkammer Braces Vom Rottzridge ex  
Ir.Ch. Trendsetter Aza Vom Rottzridge. Breeders: Mr. G. & Mrs. J. Anthony. Owner: Mr. P. Atkinson.

The star of the show, and what a star she was, so clean cut to the eye, fresh and smart in outline, very correct in head with a most beautiful eye, particularly in colour, good clean front with the best of timbers attached to the best feet you could wish for, so well padded, perfect proportions, too be critical she needs to firm up in topline and drop her tail a little on the move to be perfect, I'm sure this will happen in time as she is only young yet, the best of ridges and crowns, effortless gaing action, best of colouring and in pristine condition. CC, BOB, Best in Group & Best in Show.

### **CLASS 16 - OPEN**

**1st CH. CENNENRIDGE HAZINI** - IMP - 31.10.04 - 14017/05 - Ch. Eilack Eliakim ex Lady Gwinevre.  
Breeders: Mr. P.A. & Mrs. V.G. Tommason. Owners: Mrs. R. Lozada & Mr. D. Arthur.

Quality bitch that is fully matured and in firm condition, good clean lines that attract your eye, feminine head piece, good eye, clean cut neck, good forehead and feet, good bodily ratio's but needs to firm up more in back line, good crowns, good positive mover behind but needs to strengthen a touch more in front, excellent colour with a good sheen, well presented. RCC.

## **GROUP V - UTILITY**

### **AKITAS - DOGS**

#### **CLASS 17 - PUPPY**

**1st FREE THINKER** - LOC - 10.12.2008 - 15690/09 - Free Lance ex Redfire Kulma.  
Breeder: Mr. R. Norville. Owner: Mr. M. Jones.

Young male that I thought was rather small in stature, but he was balanced bodily, his head was not quite balanced as yet, a touch too long in muzzle which did not give him the correct expression needed for this breed, maybe this will correct with maturity, good eye and ears, plenty of neck, good feet, very good topline and tail, moved with purpose and was quite firm, coat preparation could have been better.

#### **CLASS 18 - MAIDEN**

**Abs. MAN OF GONDOR** - LOC - 19.05.2006 - 14549/06 - Donkemre Dark Shadow ex Rashad Son Of Queen Hera.  
Breeder: Mr. W. Daniel. Owner: Mr. W. Smith.

Breeder: Mr. R. Basdeo. Owner: Mr. M. J. Jones.

Whist there were things to like about him I thought he lacked a little breed type, good eye and small ears, good arched neck, rather narrow in front due to lack of forechest, deep ribbing with a good topline, and tail, moved with purpose in both directions.

### **AKITAS - BITCHES**

#### **CLASS 20 - LIMIT**

**1st ELTHOR DREAM GIRL** - LOC - 31.03.2007 - 15026/07 - Ch. Redwitch I Rest My Case at Elthor ex Barindi Close To You. Breeder: Dr. W. Welch. Owner: Mr. A. Taylor.

Nice type bitch which I thought was rather on the small side, however, she was a good breed type with a typical head and good eyes, very alert ears, good overall make and shape, good proportions, quite a thick jacket covering, moved ok but could have been firmer. RBOB.

**2nd EMBER FIRE GLOW** - LOC - 1.12.2005 - 14348/06 - Ch. Melodor Resistnce is Futile At Tondar ex Vikiing's Lady. Breeder: Mr. T. Worrell. Owner: Mr. T. Worrell.

Another bitch about the same height as winner, not quite the balanced head of winner, but a little firmer on the move but a touch close behind, good bodily ratio's throughout, good bone and feet, firm back line and tail set. Thick jacket.

#### **CLASS 21 - OPEN**

**1st CH. TOPAZ TABOO** - LOC - 17.09.2004 - 13685/04 - Redwitch Take No Prisoners At Elthor ex Hachiko Princess. Breeder: Mr. T. Ellis. Owner: Mr. A. Taylor.

A very nice type with a very typical head piece, nice eyes and excellent ears, ample neck and clean throughout, good in forechest and bone, neat tight feet, excellent body ratio's with a good back line and tail set, good free mover and good in profile, covered in a good quality thick jacket of good colour. CC & BOB.

**2nd FREE FLIGHT** - LOC - 22.02.07 - 14919/07 - In Touch With Time ex Tondar Free Will. Breeder: Mr. R. Basdeo. Owner: Mr. T. Inniss

Quite a well grown bitch that looks feminine, could be a touch more typical in skull. Good eye and ears set, just enough neck, plenty of bone with reasonable feet, moderately angulated quarters, moved with style and purpose.

### **BOSTON TERRIERS - DOGS**

#### **CLASS 22 - JUNIOR**

**1st WILDAX MUDDY PUDDLE OF SPREA** - IMP - 8.09.08 - 15737/09 - Ch. Wildax Scaramouche ex Wildax Silver Sinner. Breeders: Mr. F. & Mrs. M. Wildman. Owners: Mr. S. & Mrs. P. Scott.

Smart dog full of type, good markings, pleased in head with good lip line, strong well developed underjaw, and good small erect ears just enough neck, tends at time to stand a touch wide in front, which needs correcting, stands over a little too much ground, needs more training to get the best out of him, presented in good condition. CC & RBOB.

### **BOSTON TERRIERS - BITCHES**

#### **CLASS 23 - JUNIOR**

**1st WILDAX ROMANTIC ROSETTI OF SPREA** - IMP - 21.08.08 - 15738/09 - Wildax Purple Pebble At Claymurf ex Wildax Marvellous Molly. Breeder: Mrs. J. Barclay-Murray. Owners: Mr. S. & Mrs. P. Scott.

A most charming young lady that was so correct in her proportions and head qualities, but needs to be handled much better than she was, I thing she can charm any judge she wish if she puts in a better performance, very good mover and at time when she did perform I though her quite outstanding and correct. Cc, BOB & Best in Group.

### **MINIATURE SCHNAUZER - DOGS**

#### **CLASS 24 - OPEN**

**1st CH. RISEPARK PRETTY SMART GUY AT JAMROCK** - IMP - 15.02.07 - 15076/07 - Int.Ch. Hideki Who's That Guy With Risepark ex Risepark Sweeton Rosie. Breeders: Messrs. P. Newman & B. Day. Owners: Mr. R. & Mrs. J. Anderson.

A smart dog from a famous kennel, on first inspection he appeared a little too deep in chest which spoilt his proportions, but on closer inspection this was not quite so, he had too much body fridge, good male skull, would have like a fraction more parallel head planes, however, he was flat with good ears, clean cut neck with pleasing forechest, good compact body, and tail set. Good workmanlike gait, harsh jacket. CC & RBOB.

### **MINIATURE SCHNAUZER - BITCHES**

A very attractive outline looks every much a schnauzer, very sweet expression coming from a quite correct head, good dark eye neat ears, lovely neck and topline, high wither, needs to give a little more on the move, has lots of presence. Nicely proportioned dog from this well known breeder, good head qualities with the best of dentition and underjaw, bright in eye, excellent expression, good wide forechest good bone, nice ribbing, tail set could have been higher, good firm mover both ways showing full pads, good length to coat but could be thicker, but this must be difficult in this climate. Another example of quality this bitch catches your eye for her outline and correctness on the move, very firm in topline, not quite as compact as other, lovely head again with the same qualities as above, carrying a good quality jacket, gives more on the move. Same applies to this bitch as the other. CC & BOB.

Typical in type with lots to like, pleasing head piece with good wrinkle, one could argue a little too much, pleasing underjaw of some strength, deep rib which was too barreled and not long enough, but good bone and feet, rather dippy in topline, plenty of width to chest, moved OK but weak behind. CC & RBOB.

**DOGUES DE BORDEAUX - BITCHES**

Whist I understand not everyone's cup of tea is this breed, I though she was quite delightful very correct for the breed and very sound in limbs, which is rather a rarity in this breed and must be rewards, only last week in the UK I judged this breed with 82 dogs entered I can tell you this bitch would have been featured very highly. Looked the gender she was, lovely head and expression, coupled to the soundest of limbs which took her around the ring without any effort. I personally think she is quite special. CC, BOB & Reserve in Group..

Breeder: Mr. S. Howell. Owner: Mr. P. Waterman.

A delightful young dog with plenty on bone and good feet, rather sloppy on the move but this is to be expected at this age with the growth, strongish head that needs to break to become typical of this breed, nice bodily proportions, quite a firm back for one so young, well presented.

### **CLASS 43 – JUNIOR**

**1st LONNE ALMERA AT CEDALAN** - LOC - 8.5.2008 - 15436/08 - Mercury Rising ex Rodina Noir.

**2nd LONNE RUNX** - LOC - 8.05.2008 - 15437/08 - Mercury Rising ex Rodina Noir.  
Breeder: Mr. D. Dyett. Owner: Mr. A. Nicholls

Another nice type hard to split these two, typical head qualities, with a good dark eye, would have preferred a better bite, strong neck and front assembly, shown in hard bodily condition, good firm rear, positive mover in both directions.

A dog I really like a lot just needs handler to gain more experience to make him look even better, very good breed type particularly in head, very clean over the skull with the best of expressions, excellent bone and feet good in forechest, pleasing rib with the required depth, good firm action in both directions with a firm topline. Presented in good condition. RCC & RBOB.

Another nicely headed dog but was a touch too long in loin which made him crab at times, nevertheless lots to like about this dog, excellent expression coming from this well balanced head, good dentition, very good muscle tone, good rear angulation and well prepared and presented.

Well grown dog of good size, nicely headed with good eye and quite clean cut in back skull, however, his front needs to stand firmer, good bodily proportions with a reasonable overlay with good proportions, lacks drive from behind, presented in good clean order.

A young dog that was full of quality the type you would expect from this kennel, super head so clean over the skull darkest of eye, excellent dentition, built on really good lines, lovely overlay, looks the part, strong and masculine, very good mover, tail I dismissed as this is a hot topic in previously docked breed, I think he could have carried it lower, but I had no problem with it. CC, & BOB.

**2nd ELTHOR DARK CARL** - LOC -23.05.2007 - 15129/07 - Iwo Von Schonberg ex Cia Von Der Hansestadt Bremen.  
Breeder: Dr. W. Welch. Owner: Mr. S. Howell.

A thick set dog that has too much facial hair should be more cleaner, but the balance was ok, tried to view dentition, but the dog objected, so I left it at that, quite a good mover. Best Stud Dog.

A very pretty bitch of excellent breed type, good clean skull with a good expression, ample neck with good forehead quarters, nice forechest and deep ribbing, good body ratio's but rather reluctant for me to touch, but once up right she was fine and portrayed a lovely outline of balance and breed type, very good mover . Nice compact red dog with lots to like, needs more time to finish, lovely head with balanced proportions, eye pigment need to fill more, good dentition and turn and strength of chin, being such a young dog he still needs to develop more in forechest, very compact boy with nice spring to ribbing, moved well in both directions. Very nice red dog with the complete package, the only thing that let him down was his silly skipping at time but when he did go boy did he go with a very honest workmanlike gaing action that looked effortless, all proportions about this dog are 50/50 so very honest, excellent outline with a good overlay, exceptionally good pigment, really well muscled. I was amazed how well this dog moved for his age, so free and easy that was the reason he was awarded reserve in the group today, obviously now looking his age this doesn't detract too much from his obvious qualities he possesses, very good in head with a soft expression, still good in bodily parts and well muscled. **Best Veteran & Reserve in Group.**

**SH.CH. THATCHERS HIGHLAND MOON C.D.** - LOC - (Golden Retriever) - 5.06.02 - 12164/02 - Sh.Ch.

Eastonwood Highland Laddie ex Sh.Ch. Burpham Moonsong Of Thatcher C.D. Breeder/Owner: Mrs. J. Ray.

A real sweetie of a bitch, a most delightful expression so full of warmth, excellent in proportions with a firm uninterrupted topline, good bone and feet, carrying a most splendid jacket a credit to her keeper, moved with zest but a fraction closed behind today, unfortunate to meet winner.
