

THE BARBADOS KENNEL CLUB

ALL BREEDS CHAMPIONSHIP SHOW – NOVEMBER 17th 2013

Judge Mr. Frank Kane

It was a great pleasure for me to return to Barbados and as usual I found a great atmosphere and interested exhibitors. - I felt that some of the dogs - particularly in the bigger breeds - needed more muscle tone and condition, which has a great effect on movement and I suggest that regular exercise EVERY day will help the dogs in movement and showmanship. I had pleasing groups and a good line up for Best in Show – but for me the French Bulldog and the Irish Setter stood out. They can win in any country. Best Puppy, a very promising Rottweiler pressed by the younger Golden Retriever.

Terrier Group

Scottish Terrier – Open – Bitch

1st – Mrs. J. Parris' **CH. MILLINGFORD HOLLYBERRY** -3 years old, bitch of good type and substance with a good head and dentition. A little long for perfect balance and topline could be helped by better trimming. Sound movement. CC, BOB & Reserve in Group.

Staffordshire Bull Terrier – Open - Dog

1st – Mr. I. Watson's **CH. COBBYBULL MR. DEXTER** - 3 years old, fawn dog in hard muscular condition and he is a good mover. Has plenty of breed type. Unfortunately his dentition is not quite perfect but his other qualities warranted his placing and CC & Group.

GUNDOG GROUP

Retrievers (Golden)

Minor Puppy - Dog

1st – Mr. J.S. Corbin's **BUZZ LIGHTYEAR DE RIA VELA** - 7 months, with good bone and feet and well balanced. Very slack in topline at the moment which is to be expected and needs time to develop in head. Sound moving and I hope time and maturity will help him.

Minor Puppy - Bitch

1st – Mrs. J. Ray's **NANCY DE RIA VELA AT THATCHER** - 7 months, with lovely breed type. Well constructed and moves well as a result. Excellent ribcage. Head of good type but needs a little more time to develop. – At this age I would hope she will grow on a little on the leg – but I thought her most promising. CC & BOB & Best Puppy in Gundog Group.

Junior - Bitch

1st – Mrs. L. Husbands & Mrs. J. Ray's **ANGELUSPARKS HEAVENS GIFT TO THATCHER** - 12 months, very good breed type and she moves well. Has a good topline, feminine head with good pigmentation and lovely eyes and expression. Just a little long in body for perfect balance but she has time to balance up as she matures. RCC & RBOB.

Novice - Bitch

1st – Mr. J.S. Corbin's **HOTHERSALLS PEACHES 'N CREAM** - 5 year olds with excellent substance and very good forehand assembly with excellent shoulder and upper arm. Her head is a little narrow and unfortunately her rear is weak with hocks turning in and this slows her movement. In excellent condition and very good temperament. Best L/B.

1st – Prof. & Mrs. T. Hassell's **THEBERTON THUNDERBIRD** - 6 months, black of good type. Has a quality head with lovely expression. Sound moving on good legs and feet. Needs to settle in topline. Needs time for coat now. Has type and quality. RCC.

Limit - Bitch

1st – Mrs. S.H. Leacock's **CROSSCROYDE CALYPSO MAGIC FOR THEBERTON** - 2 years, black, full of breed attributes in head, coat and tail. Has excellent bone and feet and is sound on the move with excellent forward reach. Just a little long for perfect balance and could be a touch more feminine in head but scores heavily in breed type. CC & BOB.

Open - Bitch

1st – Mrs. S.H. Leacock & Mrs. Z. Gray-Marshall's **SH.CH. LINTHWAITE FANTINE OF THEBERTON** - 2 years, yellow, full of type and sound moving. Excellent feminine head and expression. A little heavy in body and this makes her look a little short on the leg. Good coat. RCC & RBOB.
