

THE BARBADOS KENNEL CLUB
All Breeds Championship Show – 20th March 2005
Judge's Critique

This is the 3rd time I have judged here. The first time was 20 years ago and the second time was 10 years ago. The German Shepherds and the Boxers were the most popular breeds then, but now it appears the Akitas and the Rottweilers have overtaken them. I thought these two breeds were outstanding and there was little to choose between them. Many thanks to the Officers and Committee for looking after me so well, and to congratulate them for running a super show. Many thanks also to my most efficient Ring Steward Peter Gilkes.

Best in Show was the Bullmastiff, Mr. P. Evelyn's Murbisa Connor at Hothersall. Has super masculine head, excellent front and feet, strong neck and body, excellent quarters and tail set. In super hard condition and so very sound both ways.

Reserve Best in Show was the Labrador, Mrs. S. Leacock's Sh.Ch. Benatone Secret Mission of Theberton. Such a quality head. Lovely straight front, well laid shoulders, deep strong body, good turn of stifle, excellent condition, very sound active mover.

Best Puppy was the Rottweiler, Dr. W. Welch's Borterra Stone Mason at Elthor. Stunning youngster who should easily make up, lovely shaped head and eyes, so well balanced with level topline, excellent front, feet and quarters, super condition, moved true both ways, was well presented.
