Dear Members, Exhibitors and Friends,

The Committee of Management is happy to announce that the first BKC All Breeds Championship Dog Show since March 2020, will take place on October 2nd 2022 at the Waterford Show Ground, Waterford Plantation, St. Michael starting at 9:00 a.m.

Our judge for this show is Mr. Ernie Paterson who will be on his first judging appointment in Barbados. At present he is approved by The Kennel Club (UK) to award CCs in 29 Breeds and judge Best in Show.

Show handling classes will commence on Sunday 11th September 2022 at the Show Ground and will be held from **9.30 to 10.30 a.m.** and will continue on Sundays 18<sup>th</sup> and Sunday 25<sup>th</sup> September 2022.

## **Entries close on Sunday September 18th 2022 at 11:00 a.m.**

Entries may be submitted by mail (P.O.Box 344, Bridgetown) or at handling classes on September 11th and 18th. Early entries would be appreciated.

**Trophies won in October 2019, November 2019, and March 2020 should be returned to the Club not later than by September 11th 2022 during Handling Classes.**

We ask you to note that it is the responsibility of owners to ensure that entry forms are completely and correctly filled out. As the show catalogue is produced from the information on the entry form, no liability is assumed by The Barbados Kennel Club should the information be inaccurate.

The use of the title CH. (Champion) and SH. CH. (Show Champion) will only be recognised on the Club's documents, including the Show Catalogue, if a Champion Certificate has already been issued or an application for the Champion Certificate has been submitted to the Club by the owner.

Exhibitors are reminded that imported dogs, for which the Export Pedigrees have not been received at the time of closing of entries, may be entered NAF, provided a temporary registration has been made with the Registrar of the Club and the appropriate fee paid, by the date of closing of entries.

All local dogs that wished to be entered in the show must be registered with the Barbados Kennel Club at least 21 days before the date of the show.

We encourage all new exhibitors to attend handling classes, and advise new junior handlers that it will be

necessary for them to attend at least three (3) classes in order to be eligible for entry in the Junior Handling Competition. These classes offer the opportunity of learning the rudiments of showing and handling dogs.

Members are reminded that there will be free admission to the show on presentation of their current membership card at the gate.

As at our last show The Barbados Kennel Club will be organizing that a bar and refreshment stall will be in operation at the show as part of their fundraising efforts. We kindly ask you to refrain from bringing your own refreshments to the show and to patronize this venture.

As usual, only recent exhibitors have been sent schedules and entry forms in order to reduce costs. Anyone needing entry forms may contact us by telephone at 417 - 0607. Entry forms and the show schedule can be downloaded from our website – [www.barbadoskennelclub.org](http://www.barbadoskennelclub.org) - as well. Please submit your entry forms at an early date.
